

## **CURRICULUM VITAE**

Noora Ylipietä (Finland, b.1981), Master of Arts

noora@nooraylipietä.com

<https://vimeo.com/nooray>

Noora Ylipietä has been working on the vampire character since 2020. The ten vampire paintings first became a hundred and then a thousand, when the artist added one more zero after her series. In the thinking behind the series of a thousand pictures, one can find connections with both pop art and the manifestations of the avant-garde in fine art and poetry.
